

BY-HLM1

Wearable Pin Microphone

Introduction

Thanks for choosing BOYA!

The BOYA BY-HLM1 is an Omnidirectional Wearable Pin Microphone, it features a detachable capsule head that mounts onto three pins on the microphone backplate, providing a discreet alternative that can be located almost anywhere on a wide range of clothing and fabrics.

With 3.5mm(1/8") connector, it's compatible with wireless microphones, DSLR cameras, camcorders, and most devices with a 1/8" (3.5mm) mic-level input.

It provides versatility of use, and it's ideal for presentations, film, TV, video, theatre and more.

The BOYA BY-HLM1 also includes foam windscreens and rugged carrying case.
